#### § 1305.1 Motor vehicles generally.

All properly licensed motor vehicles may be operated on paved, graveled, or graded roads unless otherwise posted or gated or barricaded, and on other roads if specifically authorized in writing by an authorized Land Between the Lakes official. Driving in woods or fields or on foottrails or utility rights of way is prohibited, except as authorized in §§1305.3 through 1305.5. Drivers must hold a valid State operator's license to drive on improved roads. All vehicles must be equipped with properly functioning mufflers. Maximum speed within Land Between the Lakes is 35 miles per hour or less if so posted, except on the Trace and U.S. Highway 68, where a maximum speed of 60 miles per hour is permitted unless posted for reduced speeds.

#### § 1305.2 Motorcycles.

Motorcycles of all types shall be equipped with properly functioning spark arresters. Safety requirements for motorcycle riders on improved

TVA recommends that off-road vehicle riders follow all safety practices recommended by the American Motorcycle Association regarding safety helmets, heavy shoes, protective clothing, and protective shatterproof eyewear. All vehicles shall be equipped with properly functioning mufflers, and motorcycles with spark arresters. No vehicles emitting an unusually loud noise may be operated in such areas. The only area presently so designated is the Turkey Bay Off-Road Vehicle Area, a 2,500-acre tract reached by a drive running west off the Trace approximately 2¼ miles south of the U.S. Highway 68 overpass.

(b) Off-road vehicles may be operated in these areas from 8 a.m. until 30 minutes before sundown. Motors must be off at all other times except for the purpose of entering or leaving the area.

(c) The areas will not be made available for competitive events sponsored by any organized riding groups.

(d) All one-way and other directional signs on trails shall be strictly observed.

(e) Signs designating cemeteries, experimental plantings, and other portions of these areas as off limits to riders shall be strictly observed.

(f) All garbage and other debris must be placed in containers provided.

(g) Riders and campers in the areas shall not harass or otherwise disturb other persons or wildlife in any way.

### **§ 1305.5 Mini-bike areas at family campgrounds as designated.**

(a) Mini-bikes and small trail bikes may be ridden on marked trails and within posted boundaries in areas designated for that purpose at family campgrounds. Such areas are presently designated at the Piney and Hillman Ferry campgrounds.
